Product overview

The Bermuda TrioTone™ is a stylish under cabinet light, which offers a superb light output.

The Bermuda TrioTone™ is a sleek, multi functional fitting. It enables the user to choose the desired colour temperature, from warm white (3000k) to natural white (4000k) to cool white (5000k) by simply using the button on the underside of the fitting. This makes it suitable for any type of kitchen design, whether traditional or contemporary.

The fitting is easy to install with quick release connector a has a diffused cover to make sure there are no visible dots. It is also compatible with Sensio Switches and dimmable receivers.

Mechanical Specification

| Product | Dimensions (mm) | Weight (grams) | IP Rating |
|---------|-----------------|----------------|-----------|
| SE21000 | 154x144 x 24 | 61 | IP20 |
