

Key Features

- Infrared Sensor Switch
- Demister Pad
- Dimmable Control

Product overview

The Gatsby mirror embodies the essence of art deco charm, adding an opulent touch to your bathroom. Its exquisite design radiates luxury, becoming the centre of attention in any setting

Enjoy a soft atmospheric glow with the mirror, fully illuminated double edge. Ingeniously diffused lighting provides a contemporary look, eliminating visible diodes and delivering a seamless aesthetic.

The Gatsby mirror includes an integrated demister pad, ensuring a clear reflection even after a steamy shower. The built in infrared sensor switch detects your hands movement, enabling touch free operation and built in dimmer allows you to controls brightness.
