

Product overview

The Como is a stylish and elegant mirror capable of making a design statement in any bathroom.

The mirror features backlit LEDs which provide a luxurious glow, and colour changing technology enables the mirror to switch between task lighting and mood lighting.

A touch sensor located on the front face enables complete control of the lighting, and an integrated demister pad will ensure that the mirror stays perfectly clear.

Mechanical Specification

Product	Dimensions (mm)	Weight (kg)	IP Rating
Como ø600	Ø600, D35	6	IP44
Como ø800	Ø800, D35	9	IP44
Como ø1000	Ø1000, D32	11.9	IP44

Benefits

- LED technology for long life
- Customizable colour temperature
- Easy to use and install

Key Features

- Touch Sensor Switch
- Correlated colour temperature technology
- Demister Pad
- Backlit

Technical Specification

Voltage	220V
Wattage	SE30682C0 - 21W SE30095P0 - 45W SE30015P0 - 25
Color Temperature	3000 - 6000K
Dimmable	No
Operating Temperature	5°C to 45°C
Cable Length	Not Supplied
