Product overview

Supercharging your devices is the new Element mirror from Sensio. No longer will smart devices be constantly going flat thanks to the Elements integrated Qi charger which is capable of charging any compatible device while you use the other facilities in your bathroom.

The Element features TrioTone™ technology allowing for the easy transition between cool, natural and warm white light at the touch of a button alongside dimming for added customisation.

The extra-wide shelf provides a perfect perch for your devices and other bathroom essentials making the Element a mainstay for any space.

Mechanical Specification

Product	Dimensions (mm) (HxWxD)	Weight (Kg)	IP Rating
Element	600 x 800 x 121	9.6	IP44

Benefits

- Increases storage options
- Integrated charging
- Customisable colour temperature
- Customisable brightness

Key Features

- Integrated Qi Charger
- Colour changing LED's
- Touch sensor on/off
- Integrated demisted pad
- Dimming
- Matte black finish

Technical Specification

Voltage	240V
Wattage	25W
Number of LED's	120/M
Color Temperature	4000K ,5000K, 6000K
Dimmable	Yes
Operating Temperature	5°C to 45°C
Cable Length	1M
