

### Benefits

- Easy to use and install
- 1 light – 3 colour temperatures
- Ideal for under cabinet lighting
- LED technology for long service life
- Energy saving (good lumens per watt ratio)

### Key Features

- A contemporary, slimline, under cabinet spotlight
- Bezels attach via magnets
- Innovative etched prismatic design completely diffuses light
- Superb lumen output for a flood of light
- Removable collar allows for both surface mounting and recessed fitting

### Product overview

Measuring only 2.5mm in depth when recessed, and 6.5mm when surface mounted, the Apex Triotone<sup>®</sup> is an incredibly discreet fitting that will blend seamlessly into any kitchen design, whilst providing a powerful source of task lighting.

Triotone<sup>®</sup> technology enables the fitting to switch between three colour temperatures via a switch hidden underneath the magnetic bezel, a feature that has proved to be incredibly popular as the light can be tailored to all styles of kitchens, therefore reducing the need for multiple SKU's.

Another great benefit to the Triotone<sup>®</sup> functionality is that the colour can be switched easily after installation, which is ideal if a customer decides to refresh their kitchen with a different colour scheme.

### Technical Specification

Power	1.5W
Voltage	24V
Light Output	100lm
Color Temperature	3000K 4000K 5000K
Lumen per Watt	60lm
Operating Temperature	5°C to 45°C
Cable Length	1.5m
Material	Bezel: Stainless Steel Body: Plastic

### Mechanical Specification

Product	Dimension (mm) L x W x D	Weight (Grams)	IP Rating
SE12090T0	Ø75 x 6.5	56	IP20
