

**NEBULA ROUND MIRROR**

The Nebula is a great addition to any bathroom, opening up the space with its curved design. TrioTone lighting technology can provide warm, natural or cool light perfect for any situation whether it be applying makeup or just setting an atmospheric mood.

With an easy-to-use touch sensor in the middle of the mirror the Nebula is easy to set up and even easier to use.

Available in Matt Black and Brass, Nebula will sit comfortably in any Bathroom. Installation is simple due to the z bracket at the back of the mirror. Simply screw another bracket into the wall and hang the mirror in any desired location.
