

ZALA CEILING LIGHT

The Zala Round and Zala Square are surface-mounted LED ceiling lights designed for bathrooms and other indoor spaces.

Both share a slim 80mm profile, a warm white 3000K output and an IP44 rating, offered in a round or square shape.

BENEFITS
• IP44 rated: suitable for bathroom Zone 2 and above.
• Easy installation: designed for ceiling mounting with standard 240V wiring.

KEY FEATURES
• Low 80mm profile suits standard ceiling heights.
• Choose between a Ø250mm round or a 300mm square design.
• Supplied with fixing screws and wall plugs
